Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please report an issue with Adblock Plus if you believe this to be an error. To work around this, you'll need to modify the social icon class names. • All brand icons are trademarks of their respective owners. • The use of these trademarks does not indicate endorsement of the trademark holder by Font Awesome, nor vice versa. • Brand icons should only be used to represent the company or product to which they refer. • Please do not use brand logos for any purpose except to represent that particular brand or service.
